The North Sea

'Our fish is the most
delicious in the world, but we
don't know it'

That while our North Sea
offers a treasure chest of
goodies. We are trying to
change that and utilize the
numerous possibilities.

We get the help of our
fishermen and fish suppliers
to make this possible. We must
learn to eat what the
fisherman catches. Not only do
we feel better about this, but
also the fishermen who get a
fair price that way
for their catch.

WE ONLY CONSIDER LIFE THREATENING ALLERGIES
NUTS, SHELLFISH
