

EXPERIENCE LOCALE

I want
to eat
all
day
with
you!

Our bites to share
are made with local
products that do
justice to their
origin.

All dishes are for
sharing and come to
the rhythm of the
kitchen in the middle
of the table.

*We recommend 3 to 4 bites to
share with 2 persons*

The North Sea

'Our fish is the tastiest in the world, but we don't know it'

While our North Sea offers a treasure chest of goodies. We are trying to change that and take advantage of the numerous possibilities.

We receive the help of our fishermen and fish suppliers to make this possible. We must learn to eat what the fisherman catches. Not only do we feel better about this, but also the fishermen who receive a fair price this way for their .
